Built on Legacy. Driven by Innovation.

Since our inception in 2007, Krishu Locks and Hardware has emerged as a trusted name in the world of architectural hardware. What started in Aligarh with a vision to redefine the standards of safety, design, and durability has grown into a nationally respected brand – known for excellence, innovation, and trust. We specialize in stainless steel and brass architectural hardware, with a focus on design precision, engineering excellence, and long-term reliability. Over the years, we have earned the trust of leading architects, interior designers, builders, and dealers across India and beyond. Our journey is powered by a deep commitment to quality, customer satisfaction, and product evolution. From classic designs to cutting-edge concepts, each product we create reflects a fusion of aesthetics, performance, and functionality.

What Sets Us Apart

■ In-House Manufacturing & Quality Control

Every product is manufactured in our state-of-the-art facilities under stringent quality controls and certified standards.

■ Innovation in Design

We continuously explore new materials, finishes, and trends to offer hardware that complements modern and timeless spaces alike.

■ Trusted Dealer Network

With over 1000+ dealers across India and expanding global reach, Krishu products are easily accessible and reliably supported.

■ Customer-Centric Approach

We don't just sell hardware — we build relationships. Our support extends beyond purchase to installation and after-sales service.

■ Infrastructure Excellence

We invest in technology and talent. Our dedicated departments for R&D, production, marketing, and sales work in sync to bring you products that meet the highest international benchmarks.

■ Our Digital Evolution

In 2020, we launched our digital platform, making it easier than ever to explore, inquire, and purchase from our range. This initiative brought the Krishu experience to fingertips, offering unmatched convenience to architects, builders, and homeowners alike.

■ Innovation & R&D

Highlight your commitment to continuous improvement through a dedicated R&D division working on finishes, materials, and ergonomic designs.

■ Customization & OEM Solutions

Position your ability to deliver bespoke hardware solutions.

We understand every project is unique. That's why we offer customized hardware solutions tailored to meet your design, material, and finish requirements.

HANDMADE AND INDIAN FROM START TO FINISH

*We have more than 18 year's experience
Crafting beautiful brass work under the same
roof in India where it all began back in 2017.*

In-House Testing Capabilities

We ensure durability and performance through rigorous testing such as:

- Metallographic Analysis
- Lacquer Hardness Test
- Salt Spray Test
- Door Lever Endurance Test
- Tensile Strength & Plating Thickness
- Adhesion / Cross Cut Test
- Color Assessment (with Colorimeter & Cabinet)
- Auto Polybag Packing
- Auto Instruction Manual Folding
- Auto Labeling
- Auto Strapping
- This enhances shelf-readiness for dealers and convenience for end users.
- Advanced Packaging Solutions Our packaging unit is designed to ensure safe, branded, and eco-conscious delivery of every product:
